**BARNES & POWERS NORTH BUSINESS IMPROVEMENT DISTRICT  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District was organized to provide the financing, acquisition, construction, completion, installation, replacement and/or operation and maintenance of all of the services and public improvements allowed under Colorado law for business improvement districts. Specific improvements and services provided by the District include parking facilities, roadways, lighting, driveways, public utilities and landscaping. The District's service area is located entirely within the City of Colorado Springs, El Paso County, Colorado.

The District was organized by Ordinance of the City of Colorado Springs on April 27, 2004.

At an election held on May 4, 2004, the voters approved general obligation indebtedness of \$2,600,000 for street improvements, \$2,600,000 for parking facilities, and \$6,500,000 for refinancing of District debt. On November 1, 2005, the District's electors authorized additional indebtedness of \$450,000 for water and \$150,000 for sanitary sewer. The voters also approved an annual increase in taxes of \$15,000, at a mill levy rate not to exceed one mill for general operations and maintenance. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution. Pursuant to the District's operating plan filed annually with the City, the maximum debt service mill levy the District can impose is 50.000 mills. As set forth in the District's 2007 operating plan, the City has limited the amount of debt to be issued to a total of \$4,950,000 in the authorized voted categories, without future approval by the City.

The District has no employees and all administrative functions are contracted

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those difference may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**BARNES & POWERS NORTH BUSINESS IMPROVEMENT DISTRICT  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenues – (continued)**

**Specific Ownership Tax**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

**Interest Income**

Interest earned on the District's available funds has been estimated based on an average interest rate of approximately .5%.

**Intergovernmental Revenue**

Pursuant to an Intergovernmental Agreement, dated November 30, 2011, with Barnes and Powers South Business Improvement District, the intergovernmental revenue represents transfers from Barnes & Powers South to provide funding for the overall administrative and operating costs for the District and payment of capital infrastructure.

**Expenditures**

**Administrative Expenditures**

Administrative and operating expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance, and other administrative expenses.

**County Treasurer's Fees**

County Treasurer's collection fees have been computed at 1.5% of property tax collected.

**Debt Service**

Principal and interest payments are provided based on the debt amortization schedule from the Series 2007 bonds (discussed under Debt and Leases).

**BARNES & POWERS NORTH BUSINESS IMPROVEMENT DISTRICT  
2022 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Debt and Leases**

On June 27, 2007, the District issued \$4,000,000 in General Obligation Bonds. The Bonds are due December 1, 2036, and bear an interest rate of 6.5% paid annually on December 1. At the option of the District on any date, the Bonds are subject to redemption prior to maturity without redemption premium. The proceeds from the Bonds were used to reimburse the Developer for capital infrastructure costs and to pay bond issuance costs. The District's current debt service schedule is attached.

On December 31, 2006, the District entered into a Reimbursement Agreement to repay advances made by the Developer for capital infrastructure costs and operations and maintenance (O&M) costs. The District agreed to repay the Developer for such advances plus accrued interest at the rate of 7% on the first day of the following year in which the advances were made.

On March 30, 2011, the District entered into the Amendment to the Reimbursement Agreement to recognize advances, and accrued interest, made to the District prior to 2006. Such advances were originally recorded in the District's records as a contribution.

On February 22, 2017, the District entered into the Facilities Funding and Reimbursement Agreement. Under the terms of this agreement, the District agrees to reimburse the Developer for all verified capital costs, together with interest of 8% from the date of the expenditure.

The District has no capital or operating leases.
